Three years ago, the Post started a website, www.post24lgwi.org. It's been great for getting information out to the membership. At that time, we asked those who could access the website to view the Stacked Arms newsletter posted there on the site. This would reduce our mailing expenses for the newsletter. For this month, everyone is getting the Stacked Arms in the mail. The goal is to make sure everyone gets a copy and to ask for help in updating the mailing list. If you can use the website, please contact Adjutant Bob Miller by email at bmillerplake@charter.net or call 262-279-6429, leave a short message that you will be using the website for the newsletter, or send a note to P.O. Box 698, Pell Lake WI. The collected names will be taken off the mailing list for the FEB newsletter. The newsletter is posted to the website on the Wednesday before the Post Meeting. An email reminder goes out with a link to the newsletter. Thanks for helping the Post to control costs !
